

# Simply Stunning Oaks

Selected from the finest European Oaks, this exquisite collection of pre-finished oak flooring will inspire you to create interiors that exude warmth and character.

The Hermitage Oak collection features a palette of 8 classic colours from the dark rich hues of Coffee Brown Oak to the warmth and natural splendour that is Smoked Oak. All surfaces are premium grade European Oak, brushed and lacquered with world renown Treffert lacquer in a stunning Ultra Matt finish. These striking planks are an extra wide 190mm by 1900mm long, helping you create smooth, flowing interiors.

Available in a 15mm thickness with a 4mm oak top layer and combined with an engineered core board that resists warping and cupping, Hermitage Oak flooring is designed for Australia's harsh climate.

Installation is a breeze with Valinge 2G click system. No longer do you need to use toxic glues to install your beautiful new floor. Simply roll out our approved underlay and install your new floor directly over the top. No nails, no adhesives and best of all, planks can be replaced easily.

All Hermitage Oak floors are certified Green from our manufacturer, giving you peace of mind, knowing that they are produced using sustainable forestry practices and are manufactured with world's best environmental procedures.

All Hermitage Oak flooring products are backed by a lifetime structural warranty and our industry leading 25 year domestic wear warranty.
